

PROPOSED IMPROVEMENTS TO SR 304 / I-269

Marshall County, Mississippi

State Project No. DB\STP-0029-03(009)/102556-304000

QUESTIONS RECEIVED AS OF April 19, 2013

- 63.** We respectfully request that a detailed CMP schedule be included in the Appendix to aid in the review of the schedule summary and work plan section six of the written technical proposal.

A detailed CPM schedule may be included in the Appendix provided the Schedule Summary and Work Plan are included within the recommended 50-page maximum, as described in the RFP.

- 64.** The RFP project information states the project is from station 878+00 to 1205+00. Since the cross sections for the earthwork begin at station 870+00, should we include in our submittal pricing for earthwork starting at station 870+00?

No.

- 65.** If the proposer has a personnel modification on their submitted SOQ organizational chart, and is not considered a “Key Individual (Project Director, Construction Manager, Lead Design Engineer, or Environmental Manager positions)”, does a written request of personnel change have to be submitted?

No.

- 66.** Addendum #2 states the D/B team may utilize a temporary work bridge on only one adjacent edge of the mainline bridge at the Coldwater River Bridge. Is a temporary work bridge allowed within the outline of the permanent bridge (edge of bridge deck to edge of bridge deck)?

Yes.

- 67.** Are longitudinal joints allowed for bridge decks on the Coldwater River Bridge?

A longitudinal joint may be utilized on the Coldwater River Bridge provided it is located 2” from the edge of the median barrier. Additional details may be provided in the forthcoming addendum.

68. Please provide clarification how proposer is to acknowledge addendums, either as each addendum is received and returning acknowledgement letter to stated email (I269@mdot.ms.gov) or within our Volume 2 submittal as instructed under the requirements on page 10 of 15, Volume 2 – Contract Price Proposal, Bullet #1.

Addenda should be acknowledged as stated in item 1 on page 10 of 15 of the RFP.

49. REVISION

On page 89 of the RFP Section 907-102.09--Delivery of Proposals states, “Unless otherwise specified, Volume 2 Proposals shall be submitted sealed in a special envelope furnished by the Department.” We did not receive a specific Bid Envelope. Does the Price Proposal Envelope have any special requirements?

The Bid Envelopes were distributed at the pre-proposal meeting. However, envelopes can be sent to Proposers on request or may be picked up from MDOT by contacting Contract Administration Division at (601) 359-7729.

Or:

Mark the envelope of Volume 2 as follows:

Name of the Proposer

Address of the Proposer
